Introduction

Jesus told His disciples in Matthew 10:8: "Heal the sick, cleanse the lepers, raise the dead, cast out demons. Freely you have received, freely give."

Dr Christo and Hetta Nel, who are in the ministry of King Jesus full-time in His Body, the Ekklesia (or Church), have decided to serve and give to the people of God all that they have as far as possible, *without ever asking money for what they do.*

This they have been doing for the last 26 years since 1993.

For that reason, we are introducing their ministry to you as a way to find additional funding for their ministry.

I also believe what they are doing in the service of King Jesus is REALLY GOOD AND FURTLILE GROUND that will produce a blessed harvest on whatever you are willing to give!

To give you an opportunity to make an informed choice about sowing in this ministry, let me introduce you to the ministry of Dr Christo and his wife, Hetta Nel.

I want to encourage you to go and sit at the feet of our Lord Jesus and hear what you need to give and sow into their ministry.

Dr Christo Nel and his wife, Dr Hetta Nel, are serving King Jesus for more than 40 years in full-time ministry within the Body of Christ worldwide. (See his profile on LinkedIn at <https://www.linkedin.com/in/christo-nel-0b511333>)

They are from Africa, living in Somerset West, in the Western Cape, South Africa.

After serving as a pastor for 14 years in the Dutch Reformed Church, they felt God told them to resign from this church and be available to share new wine (as in Luke 5:37,38) and a new picture (or wineskin) of His Church with His people.

For that reason, after resigning as a pastor in 1993, totally in faith, on a non-profit basis, they started ministering on different platforms to the needs of people across the world.

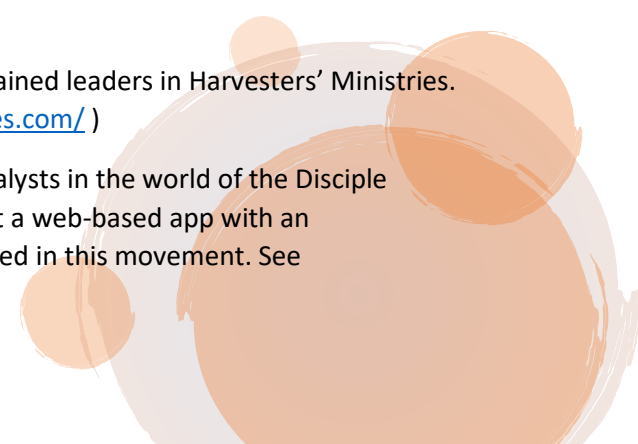

Via a ministry over the internet, Dr Christo equip, counsel, teach and prophetically encourage God's people on a weekly basis since 2000. See www.new-wine.co.za and www.nuwewyn.co.za

On different virtual open platforms Dr Christo is part of a team equipping and teaching Christian leaders all across Africa, India and other parts of the world who don't have the money and means to do it otherwise than via open source material. One of these ways he is doing this is by creating a resource internet library which leaders or any other person can access for free.

Dr Christo and Hetta are also trained leaders in Harvesters' Ministries. (See <https://harvestersministries.com/>)

Dr Christo is also one of the catalysts in the world of the Disciple Making Movement. He has built a web-based app with an accompanied webpage to be used in this movement. See

www.journey-of-discovery.co.za with the app that can be downloaded from <https://journey.beezer.com/>.

One of the reasons why we are asking for funding is to rebuild this app into a true App that can be distributed via the App-store and all the other app stores.

With about 20 million people across the world speaking Afrikaans, Christo and his wife do whatever they can to minister the truths of the Gospel in a new and more effective ways especially to this people-group.

Coming from and ministering for more than 14 years as pastors in the Dutch Reformed Church, they are doing everything they can to support and encourage thousands of members of this church who are going through terrible trials and tribulations, especially after the General Synod of the DRC's decision in October 2019 to allow gay ministers and gay civil unions.

In one of the most violent parts of the world, in the Metropole of Cape Town (where more than 2000 people died violently from January to June 2019 – while in the war-stricken Syria, 1867 people died violently), Dr Christo as a trained Neuro-linguistic Life and Trauma Coach and Counsellor, is used by God in healing and restoring very broken and sick communities.

One of the very exciting new doors of ministry that opened for this couple the last month, is the LIFETV CHRISTIAN BROADCASTING NETWORK asking them to start broadcasting programmes via internet. See <https://lifecbn.com/>

But, of course, that also mean they need finances to do what is needed. For this, your support is needed.

Dr Christo and Hetta are also ministering on a weekly basis in the heart of the Marketplace. While mentoring about 30 businessmen and – women together with their businesses and companies, you will also find them, for example, once a week on a Wednesday, in their office in the Devon Valley Hotel, as the spiritual parents of all of the employees, but also as the catalysts of change in the surrounding communities.

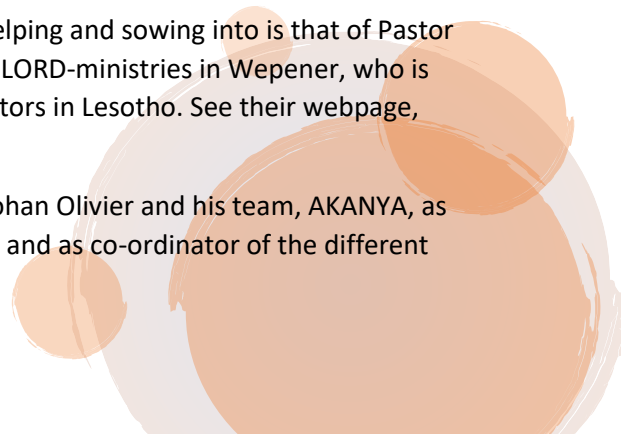

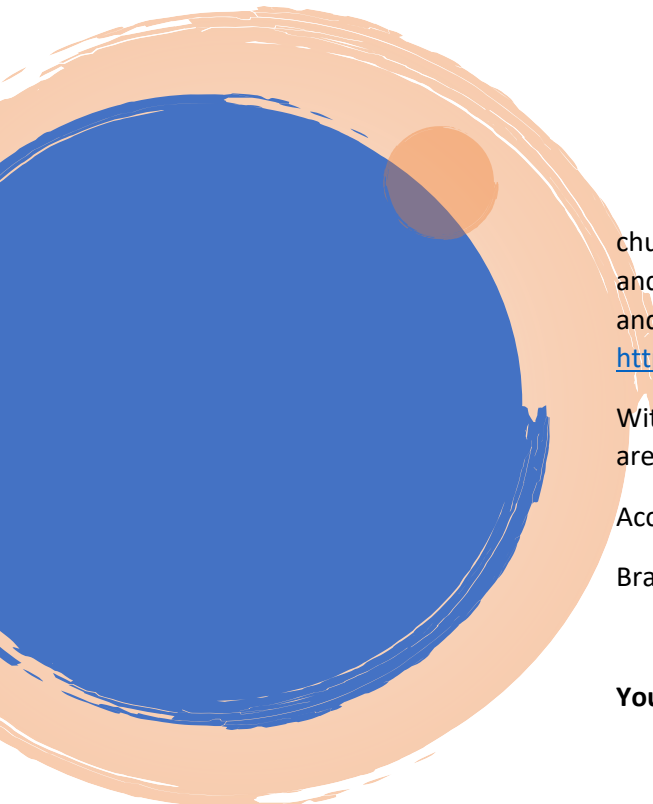

Then Dr Christo also mentors and partners with two other ministries:

1. The one is that of Pastor Simon Motaung and his House of Hope-Ministry, Nkanini in Khayelitsha. Pastor Simon has a ministry among families of ex-prisoners serving their sentences in Pollsmoor, a maximum-security prison in Cape Town. Part of this ministry is also caring and feeding the children in this extremely poor area during the week.

2. The other ministry they are helping and sowing into is that of Pastor Johan Meiring, from TOUCH ME LORD-ministries in Wepener, who is busy training more than 150 pastors in Lesotho. See their webpage, <http://www.touchmelord.co.za>

Dr Christo recently also joined Johan Olivier and his team, AKANYA, as a strategic prophetic consultant, and as co-ordinator of the different

churches and Christian groups in the areas where AKANYA are working and consulting. See their webpage to get an idea of the life-changing and community transformational work this group is doing. See <http://akanyads.co.za/>
